

CREATE YOUR OWN SCARECROW COMPETITION

It's time to use your imagination for a terrifying task and create your very own SCARECROW! In this pack you'll find an example scarecrow plus a blank grid for designing your own monstrous monstrosity!!!

Create your scarecrow however you like. Use pens and pencils. Maybe colour them in. You can even take images from magazines and stick them in just like Erin (download her 'Book of Scarecrows' at www.neiljhart.com).

Once your design is finished, take a photo and email it to neil@neiljhart.com

If you want to post it on social media, please use the hashtag **#TheLastScarecrow** so I can find it easily and share with everyone!

Competition closes on 24th May 2024. The three most original scarecrow designs will win paperback and ebook copies of 'The Last Scarecrow', a bookmark, stickers, badges, and a framed print of the book cover!

Good luck!!!
